Dear Business Owner/Manager,

I am writing to you on behalf of Hope on Horseback Therapeutic Riding Center (HOHB). Since 1981 our nonprofit organization has offered the special needs community supervised therapeutic activities using trained horses, certified instructors, and experienced volunteers. Riding provides physical exercise, increases core strength, as well as improving social and communication skills. Riding classes are offered for physically and mentally challenged children and adults. Ground classes for groups wishing to improve teamwork and encourage leadership and communications are also available.

Hope on Horseback, in partnership with Mound Grove Golf Course, will present our first car, truck and motorcycle show, Horsepower Roundup, on June 9th, 2024. By sponsoring our car show, you will be helping us provide our innovative and life-changing programs to a very deserving group of individuals. A large portion of our funding is provided by generous gifts from individual donors and event sponsors.

Various levels of sponsorship are available for Horsepower Roundup ranging from individual items or basket donations to naming opportunities up to \$2,000. A list of available packages is attached.

We thank you for your consideration and hope we can count on you to support Hope on Horseback in 2024. If you have any questions, or would like to donate, please contact Ashley Frank, Events and Social Media Coordinator for HOHB, at 814.450.4711 or [Events@hopehorseback.org](mailto:Events@hopehorseback.org).

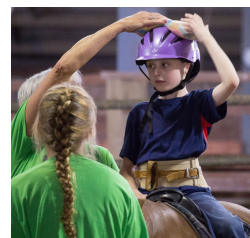

Sincerely,

*Ashley Frank*
